## INDIVIDUAL PLOT GUIDELINES:

1. Once assigned, I will be responsible for my individual plot and will cultivate or cover it within three weeks.
2. I will plant my plot no later than October 15th. I will not leave my plot fallow or unused for longer than two weeks unless arrangements have been made with the IP Coordinator.
3. Trees and bushes will not be allowed in IP beds. Any invasive plants such as Passion Vine and Mint will be required to be in pots within garden plots and must be kept trimmed.
4. If I leave my plot in a neglectful state after a period of two weeks, the IP Coordinator will attempt to contact me for resolution. If I neglect my plot for a total of four weeks, it will be reassigned at the discretion of the Coordinator. I will not receive a refund of the Individual Plot or Membership Fees nor for any other expenses I have incurred.
5. If for any reason (health, vacation), I will be temporarily unable to maintain my plot, I will contact the IP Coordinator. I can have a non-member substitute gardener providing they sign a Liability Waiver which I will submit to the APOA.
6. If I can no longer keep up my plot, I will immediately contact the IP Coordinator so that the plot may be reassigned. No refunds of Individual Plot Membership Fees will be given.
7. I am permitted to use the compost provided by the Garden for use on my plot. Prior to using any personal compost, not labeled Organic, I will get approval from the planting committee.
8. I will not expand my plot to encroach on any other plot or pathways.
9. I will keep my plot and surrounding pathways weeded and will remove any dead plants.
10. I will remove bags of soil, fertilizer, watering cans, tools, etc. from my plot when I leave for the day.
11. If I want to raise my bed, at my own expense, I will not use treated or stained wood or scrap construction material.
12. Structures such as trellises, should not exceed six feet in height. The structures must be safe and structurally sound. Scrap construction materials are prohibited.
13. Signage is to be limited to your individual plot and must be kept to PLANT identification and/or PLOT identification, which can include "Private Bed", plot location and your name. Signage must be free of anything NOT PERTAINING TO THE GARDEN.
14. I agree in the event of a significant weather event (tropical storm warning, hurricane watch or warning), to dismantle and remove any trellis or loose items from my plot. If unable to storm prep my plot, I will notify the IP Coordinator ASAP. No refunds will be made for any damages.
15. My Individual Plot Membership cannot be transferred to another party.
